Grassroots Shakespeare Company

Shakespeare's players were an interesting bunch. For starters, none of them had a complete copy of the script. Instead, they used "cue scripts," consisting only of their cues and their lines. This meant they had to listen extremely carefully to each other in order to perform their parts. On top of that, their rehearsal process was unbelievably short – in fact, some people believe they didn't rehearse at all!

Also, they had no director, no designers, and no "concept." Instead, the actors directed themselves, brought their own costumes and props, and relied on the sun to light them. As a result, the plays they performed were probably nothing like what you'll see at any other more traditional theater company. In Elizabethan times, Shakespeare's plays probably had anachronistic costumes and music, constant audience interaction, and a lot of improvisation.

In the spirit of these original practices, the Grassroots Shakespeare Company was born to explore the text of Shakespeare's plays by performing them under similar conditions. We use cue scripts, we use the sun, we improvise, and we bring our own costumes and props. What you'll see, if you come to one of our shows, is a vibrant, high-energy performance of some beautiful language and fun music, probably in a grassy, sunlit park.

This year we'll be performing two Shakespeare plays: *Cymbeline* on Saturday, May 28 & *Romeo & Juliet* on Sunday, May 29.

Magic with Rick Boretti

Magic with Rick Boretti at the Kids Tent

Two shows on Saturday, May 28
11am at the Kids' Got Talent Stage.

The Grassroots Shakespeare Company is a collaborative touring ensemble of multidisciplinary artists who create joyous, vibrant productions inspired by Shakespeare's original staging techniques. Through open-air performances, interactive workshops, and scholarly events we produce and promote genuinely engaging, popular and relevant theatre. Join us for *Cymbeline* and *Romeo and Juliet*!

Canyonlands PRCA Rodeo

The Canyonlands PRCA Rodeo has been a tradition in Grand County for over 50 years!

Swanny City Park in Moab is named after D.A. Swanny Kerby who together with his wife, Verda brought early rodeo to Utah around 1945. Their family still owns and operates our stock contractor, Bar T Rodeo.

The Canyonlands PRCA Rodeo Club is an all volunteer organization. Throughout the year, many dedicated folks spend hours working tirelessly to make the rodeo come alive.

The rodeo is funded through sponsor businesses within our community, along with ticket and other sales.

The Canyonlands PRCA Rodeo is the only professional sporting event put on in Moab and offers two nights and an afternoon of thrilling PRCA Pro Rodeo action. Cowboys and cowgirls travel from all over the West to compete in seven events: Steer Wrestling, Team Roping, Saddle Bronc Riding, Barrel Racing, Bull Riding, Bareback Riding and Calf Roping.

Our rodeo also offers two children's events - Mutton Bustin' and Stick Pony Races and each year, club members offer pony rides to children during the Moab Arts Festival.

On Saturday night after the rodeo, everyone kicks up their heels and enjoys live music.

The Canyonlands PRCA Rodeo Club works hard engaging our youth and building partnerships within the community so that this great tradition of rodeo can be carried on to future generations.
